Blessed Pope Paul VI wrote in his Encyclical letter of April 30, 1965, " On the Month of May" :

". . . [it is] a month which the piety of the Faithful has specially dedicated to Our Blessed Lady, We are gladdened at the thought of the moving tribute of faith and love which Catholics in every part of the world will be paying to the Queen of Heaven.

This is the month during which Christians, both in Church and in the privacy of the home, offer up to Mary from their hearts an especially fervent and loving homage of prayer and veneration. In this month, too, the gifts of God's mercy come down to us from her throne in greater abundance.

Mary remains ever the path that leads to Christ. Every encounter with her can only result in an encounter with Christ Himself. For what other reason do we continually turn to Mary than to seek for the Christ she holds in her arms, to seek in her — through her — and with her — the Savior to Whom men, in the perplexities and dangers of life here below, must of necessity have recourse, and to Whom they feel the ever recurring need of turning — as to a haven of safety and an all-surpassing source of life?

. . . We look at the present needs of the Church, or at the state of peace in the world. The supreme benefit of peace is again being placed in jeopardy. Today we see tensions worsening gravely between nations in certain parts of the world . . . We have compelling reasons for believing that the present hour is especially grave, that it makes a call for united prayer from the whole Christian people more than ever a matter of urgency.

But peace is not solely the work of man. It is also, and primarily, a gift from God. Peace comes from heaven. It will truly reign among men when we have finally proved ourselves worthy to receive this gift from Almighty God. Just as the happiness and destiny of nations are in His power, so also are the hearts of men. And so we shall obtain this lofty benefit by praying to God; by praying with constancy and watchfulness, as the Church has been wont to do from her very beginning; by praying, in particular, for the intercession and protection of the Blessed Virgin Mary, who is the Queen of peace.

May she who experienced the cares and hardships of earthly life, the weariness of daily toil, the hardships and trials of poverty, and the sorrows of Calvary, come to aid the needs of the Church and the human race.

May she graciously lend an ear to the devout pleas of those all over the world who beg her for peace. May she enlighten the minds of those who rule nations. And finally, may she prevail on God, who rules the winds and storms, to calm the tempests in men's warring hearts and grant us peace in our day.

**PLEASE REMEMBER IN YOUR PRAYERS**

**Those who are sick:** Doris Duncheskie & Joan

Montrella (*Names will remain on this prayer list for one month.*

*Please call the rectory to add someone.*)

**For all police, firefighters and those who serve in the military:** Lt. Jeff Womelsdorf, U.S.M.C.
