Marriage March in Washington, D.C.

June 17, 2017

The Church understands marriage as a unique relationship, with a unique definition. It's a faithful covenant between one man and one woman for life. By its very nature, marriage is ordered not only to companionship and mutual support, but also – and even more fundamentally – to the procreation and education of children. This is why every child deserves a family where the father loves the mother, and the mother loves the father. For anyone to attempt to redefine marriage or the family as something else undermines that goal. Thus it's vital that the Church keep working to defend the integrity of marriage.

For this reason, I support the Marriage March that will take place in Washington, D.C., on June 17, 2017. For more information, please contact the Office for Life and Family or visit <https://www.marriagemarch.org/>.
