THE STATE OF THE PARISH
Each October I share with you the state of the Parish by sending you a full financial picture of our Parish. You have received a mailing which includes a summary of our financial report for the past year. I am happy to say that the State of the Parish is healthy. I want to thank you for all you have done to bring that about.

We are in the thirteenth year of our mortgage program for our buildings. We will continue to pay $215,000 in principal each year as well as the quarterly interest payment of our loan.

I am happy to announce that at this time we owe just under $800,000 dollars on our principal. We have made good progress and I hope with God’s grace and your help to finish our loan in four years.

I ask you to continue to support the parish. The Parish Business Manager, Finance Council and I work hard to accomplish the overall goal of paying the debt of our building program and being fiscally responsible with parish expenses.

Please continue your generosity to your Parish Sunday collection. I ask you to give regularly to our weekly second collection, which includes the Building Fund and Mortgage envelopes. The monies generated from the second collection are accumulated for our quarterly loan payments. We offer Parish Giving as an alternative way to make your contributions. Visit our website www.st-cyril.com for more information. Please support our fund-raisers, which help us to maintain our parish programs. They not only build spirit, but also raise additional funds to support our various activities. Finally, I ask you to consider a gift to our annual Parish Debt Fund by returning the pink envelop sent with your mailing.

Once again, I thank you for your support to me and the parish over the years and your continued effort to keep our Parish healthy and full of spirit.

God bless you for all you do!

NATURAL FAMILY PLANNING

Engaged or married couples are encouraged to learn about the Church’s teaching on the gift of human sexuality, the meaning of responsible parenthood, and a safe, effective, and morally acceptable method of spacing children. Natural Family Planning collaboratively unites husband and wife with her fertility cycle. By learning to work with a woman’s naturally-occurring cycle, the woman’s whole person well-being is elevated as the highest priority. Natural Family Planning is safe, effective, and beneficial in all aspects. If you desire a true, fulfilling and timeless love in your marriage, turn to Natural Family Planning. Based on your preferences and lifestyle, you may gravitate toward one of several methods or models of Natural Family Planning. For more information, Contact the Alliance Natural Family Planning Network at 267-800-8514 or www.AllianceNFP.com.

YDISCIPLE PARENT INFORMATION SESSION
Come and join me for a YDISCIPLE parent information session on Wednesday, October 25; 7:00 to 8:00 p.m. in the basement of the rectory.

YDISCIPLE
What if we were to tell you that there is a strategy you can employ right now to greatly increase the chances of your teenager achieving happiness and success? Is that something you would be interested in hearing? Of course. What parent would not wish this for their teen? We believe, and YDISCIPLE believes that this apprenticeship in discipleship format can help you achieve this. What does success look like? It is teens who are able to thrive, regardless of their circumstances, have a strong self-concept and strong character; they are responsible, capable, caring, and other-centered.

Have you been praying that your teenager will resist the many destructive influences that are pervasive in youth culture? Wouldn’t it be great if you could insulate them in a positive peer group that supports them in making good decisions! YDisciple brings together the most powerful influences in adolescent development: parents, peers and mentors.

“Young people often fail to find responses to their concerns, needs, problems and hurts in the usual structures.” Pope Francis, Joy of the Gospel, 105 Attention Parents … our parish is implementing a proven method of mentoring and small group that responds to the needs of teenagers. Come to an informational meeting about YDisciple and hear what you can do to create an environment for your teenager to thrive! The details of our next parent gathering are listed above.

FESTIVAL OF PRAISE TEEN PRAYER
St. John Paul II writes that “most Catholics do not have a personal relationship with God.” Is that true of your teen. Communication is a sure fire way to build that relationship and PRAYER is the communication with God that will begin the process. This may not be prayer as you know it. I believe that this is prayer that will appeal to your teen. If you have any doubts you are invited to join us at any time. OUR NEXT SESSION IS WEDNESDAY, OCTOBER 25TH, 8:30 TO 9:00 P.M. OPEN TO ALL IN LEVEL 7-12

BUCKS COUNTY REGIONAL KAIROS
Kairos can simply be translated to mean “God’s Time.” This is a 3-day retreat which is based upon the Spiritual Exercises of St. Ignatius of Loyola. During the retreat, participants open themselves up to God’s love as well as the love of their family and friends. The retreat creates an environment of acceptance and love in which participants can know about and accept Christ more deeply in their lives. Ideally by the end retreatants find that they have grown in their relationship with God, self and others. This retreat is based off of the same model that is used by many of the Archdiocesan High Schools including Archbishop Wood. It is a different experience than Steubenville and a unique opportunity for our public school juniors and seniors. We are very proud that we will have eight participants from St. Cyril’s attending this retreat November 10th to 12th. They are SOFIA JACALONE, JESSICA CARROLL, JULIA DUNN, JOE KARN, EMILY NOREK, JULIA SZYSZKO, JACK MANNAS, AND CHRISTINE CURRAN. BRIAN PIEKARSKI JUST ATTENDED WITH ARCHBISHOP WOOD. Congratulations to these nine teens who have chosen to take another opportunity presented to them to grow and understand the Gospel message of Jesus.
