**~ FIFTH SUNDAY OF EASTER ~**

**Reading I: Acts 9: 26-31**

Paul is at first much feared by the disciples because of his past persecution of them. But his conversion led to the peace described here.

**Reading II: 1 John 3: 18-24**

The test of one's acceptance by God is the willingness to do "what pleases Him," namely loving one another as He commands.

**The Gospel: John 15: 1-8**

Jesus describes Himself as the true vine, replacing the older image of Israel as the vine. The disciples, representing Jesus in the world, give glory to the Father.

## ~ FROM THE PASTOR'S DESK ~

Dear Friends,

Jesus is the vine, we are the branches. He uses this image in the gospel passage today to encourage us as His disciples. In union with Him we have all we need to live – just as the branches have all that they need to live through their union with the vine. In feeding us and nourishing us He enables us to bear much fruit. The fruits are all those things Jesus taught us: love, mercy, faith, hope, goodness, kindness, compassion, care for the needy and outcast, aid to the sick, comfort to the dying, the grieving and the sorrowful, knowledge of God and His ways, and so forth. Remaining on the vine we have life, and as Jesus says elsewhere “to the full.”

Thanks to the Home and School for the family bingo last Saturday for the school community. It was a wonderful night and everyone enjoyed the evening.

This week I will be at the annual Priests’ Convocation for the Archdiocese of Philadelphia. Please keep us in prayer as we gather with Archbishop Perez for the workshop.

God bless,

Monsignor Prior

## “FAITH FORMATION” by FR. NASTA

Saint Paul VI (1963-1978) promulgated his Apostolic Letter Devotion to Mary (*Marialis Cultus*) on February 11, 1974, the Memorial of Our Lady of Lourdes. This is the fourth of a six part summary of his letter.

### Section Two

#### *Four Guidelines for Devotion to the Blessed Virgin:*

#### *Biblical, Liturgical, Ecumenical and Anthropological*

Saint Paul VI tells of two extremes that exist in pastoral practice. On one side are those who claim the Second Vatican Council downplayed or abolished devotional prayer in favor of the Liturgy. The other extreme has people inserting novenas and other devotional prayers into the Liturgy. Paul affirms the teaching of the Second Vatican Council that devotional prayer is neither replaced by the Liturgy nor is to be merged into the Liturgy. Devotional prayer is to harmonize with the Liturgy.

In regards to Marian devotions and efforts towards ecumenism, such devotions honoring Mary are to avoid any exaggeration that other Christians could misconstrue as authentic Church teaching and practice.

The 1960's and 1970's saw major changes for women in a variety of fields, especially in society, economics, politics, and culture. Saint Paul VI says this phenomenon presents challenges for people to relate to Mary or to have devotion to her through images of her from a bygone era.

He makes these observations:

- The Church calls all to imitate Mary because she is the primary and most perfect disciple of Christ. She heard God's word and acted upon it with a spirit of charity and service.
- The Church does not limit itself to a particular depiction of Mary from a specific cultural era. Paul writes, "The Church understands that certain outward religious expressions, while perfectly valid in themselves, may be less suitable to men and women of different ages and cultures."

## CLASSROOM SPOTLIGHT OUR LADY OF GRACE SCHOOL

Tech & STREAM class has been alive and well here at OLG. Some of the recent things students have worked on had to do with current events; like the working seismograph machine that 7th grade engineered just hours after the earthquake last April 5th, all of the eclipse lessons (including the papier mache 3D eclipse models) to prepare students for the 2024 Solar Eclipse party and we did some gardening for spring. Podcast Club just received new equipment including multiple mics and a soundboard to improve audio quality. 6th-7th gr studied weathering and erosion then students got to tumble rocks and went home with handmade earrings and rings! Younger grades are now learning about 3D printing with DIY 3D printing pens made of syringes. Most of us heard already but hard work has been rewarded as OLG just won first place for the popularity vote in the WSCM video contest! After all of their success, we know that the upper grades will do well finishing to build and program their brand new Bittle Open-Source Bionic Robots, some of the many new gadgets Tech & STREAM recently acquired. With OLG Tech & STREAM, there's always something new to learn and do and God is in the center of it all.

The Catholic Church has made significant contributions to the spirits. Beer brewing was perfected in medieval monasteries. It is likely that whiskey was invented by the monks, too, in Ireland.

G.K. Chesterton famously said he converted to Catholicism because it was the only religion that could reconcile the cross and the pint. The world is sacramental and the beauty of creation is infinite; everything has the potential to point to the goodness of God.

Let's put something special in our glasses and toast the canonized. Each month we'll make a cocktail inspired by the life of a saint and celebrate his or her life.

## RETREAT FUNDRAISER

STEPHEN PAPP, OLG PARISHIONER

Dear Our Lady of Grace Parishioners,

Thank you for helping me to reach my financial goal so that I was able to attend the SEEK Catholic Conference in St. Louis this past January. The whole retreat was so life changing and set my soul on fire with the love of our Father in Heaven. I desired to learn even more about His greatness and how I can bring God's love to everyone. FOCUS has a 10-week summer program (May-August, 2024) that will allow me to do this. This retreat is called "Summer Projects" in Boyne Mountain, Michigan. Summer Projects will include frequent speakers, Morning Prayer, Mass, and individual group meetings where we will hold each other accountable with praying and discussing different topics in the faith. I will be working at the resort in between doing all of these activities. In order to go on this retreat, I need to raise \$3,300. Any amount given would be greatly appreciated. My email is [teboss360@gmail.com](mailto:teboss360@gmail.com). Thank you and God bless.

- Stephen Papp
