GOOD NIGHT, GOD

Hello, God, I called tonight
To talk a little while
I need a friend who'll listen
To my anxiety and trial.
You see, I can't quite make it through a day
just on my own.
I need your love to guide me
So I'll never feel alone.
I want to ask you please to keep my family
safe and sound.
Come and fill their lives with confidence for
whatever fate they're bound.
Give me faith, dear God, to face each hour
throughout the day,
And not to worry over things I can't change in
any way.
I thank you, God, for being home and
listening to my call,
For giving me such good advice when I
stumble and fall.
Your number, God, is the only one that
answers every time.
I never get a busy signal, never had to pay a
dime.
So thank you, God, for listening to my
troubles and my sorrow.
Good night, God, I love you too, and I'll call
again tomorrow.

SLOW ME DOWN, LORD

Slow me down, Lord, ease the pounding of my heart by the quieting of my mind. Steady my hurried pace with a vision of the eternal march of time. Give me amid the confusion of the day, the calmness of the eternal hills. Break the tension of my nerves and muscles with the soothing music of the singing streams that live in my memory. Help me to know the magical restoring power of sleep. Teach me the art of taking minute vacations, of slowing down to look at a flower, to chat with a friend, to pet a dog, to read a few lines of a good book. Slow me down, Lord, and inspire me to send my roots deep into the soil of life's enduring values that I may grow toward the stars of my greater destiny.
