# Parish Giving

simple. secure. convenient.

Parish Giving is the electronic giving program for the parish. If you are interested, please go to Saint Eugene website: [www.sainteugenechurch.net](http://www.sainteugenechurch.net) and click on the parish giving icon. Some of you who are signed up for parish giving and do not receive envelopes have asked for identification to place in the basket. At the doors of the church, you will find 6" X 4" "Parish Giving" cards for placing in the basket. These cards will be recycled weekly and be cost effective. Thank you for your cooperation.

## SAINT EUGENE SCHOOL NEWS

As the school year winds down and the weather gets nicer, Mrs. McRae's ending literature units for 7<sup>th</sup> and 8<sup>th</sup> grade are quick paced, short selections to keep her students engaged.

In 8<sup>th</sup> grade the students are studying Greek Mythology. They delve into each story looking for themes and make modern connections. Mrs. McRae taught her students about Joseph Campbell's Hero's Journey theory – an archetype that is seen in many myths of different cultures, that the Hero goes on a journey and passes through stages. The students are now partnering up and choosing a movie to inform and entertain their classmates about the portions of the Hero's Journey present in their movie.

The 7<sup>th</sup> graders end the year with a short story unit where they begin the practice of literary analysis and dig deeper into the meanings of the story. The students continue to expand their note taking skills. They enjoy these short stories, because there is always an unexpected twist at the end.

The students in both grades enjoy taking a step away from the novels they read throughout the year. Concentrating on shorter selections keeps their interest and expands their critical reading and thinking skills. Thank you, Mrs. McRae, for such an interesting and fun way to end the school year!!
