From the desk of Father Weiss:

Dear Friends,

We give thanks to Almighty God for the school of St. Joseph’s in Dallastown for most of our parish’s history. It is bittersweet that the school on this property location is closing but we are blessed to continue our support of Catholic Education with the new school of Holy Trinity at St. Patrick’s Parish’s location.

For many of us who have had children, grandchildren, or even ourselves grown up to be part of the St. Joseph’s school family, words cannot describe the loving environment and academic support that our children grew up with while receiving a Catholic faith formation. So many peoples to thank, including Mrs. Snyder and past principals, our current teachers and staff and past ones as well, parents, families, and previous pastors. There will be a school open house after the 10:30 AM Mass this weekend over at the school with refreshments and drinks as you may want to walk through the building and reminisce about the tradition of St. Joseph’s. *All are welcome.*

Please continue to pray for our children who will be finishing up their school year and for the new ventures and journeys either with Holy Trinity or other schools in the area. Please continue to pray for the successful consolidated merger of St. Patrick’s and St. Joseph's schools that Holy Trinity may become another beacon of hope and love for our children in the York Deanery area for years to come. May our children have a relaxing summer vacation.

God bless,
Fr. Weiss

We Welcome All Newcomers and Visitors: Thank you for worshipping with us. To register as a parishioner, our registration forms are located in the kiosk in the narthex or call the office.

We continue to pray for the men and women of our military, police, firefighters, health care professionals, and first responders.
“A profound humility propelled Jesus to renew His Incarnation and the actions that took place in His holy Passion, in the Mass, because the sacrifice offered upon the altar is no other sacrifice than the same sacrifice of the Cross. Every time that Jesus sacrifices Himself, He gives us life, dying mysterically for our love; this is what it costs Him so that we can call him mine... to shed His Blood, delighting in His crucifixion.

During His Passion, Jesus shed His Blood, and that precious Blood fell upon His executioners, upon the ground, and on the rocks. The populace had their hands and their faces tinged with that divine Blood; but far from being purified, they were hardened in evil, while if Jesus had sprayed their souls, they would have been converted.

If we were sprinkled materially with Jesus’ Blood in the Holy Mass, we would profit from it less than with the spiritual sprinkling, because this purifies our souls, embalishes them in an admirable manner, and sanctifies them.

The soul that receives Jesus’ Blood becomes so resplendent that it could be taken for God Himself. And when the Holy Host is elevated, that Blood falls like rain from the sky, soaking our hearts... He is truly ours: His body and His Blood feed us, invigorate us, and gives us life. For this reason, the more frequently we eat it, and the more frequently we drink it, the more He shall be ours because we will have a stronger resemblance with Him, more of the color of Calvary.”

Some students received full tuition, room & board and some received full tuition. Many received multiple scholarships from universities, businesses, and non-profit organizations. This class will contribute to our global society as 92% have chosen to continue their education after high school; 3% are entering the military, and 5% are entering the workforce. This class shared 19,435 hours of service to the community volunteering with fire departments, police departments, hospitals, doctors' offices, nursing homes, food pantries, animal rescues, and community events. Our wish for this class is that they practice their Faith, expand their Mind, open their Heart, and honor their Family as the new alumni of York Catholic High School.

Congratulations Class of 2019!
School is coming to a close for the 2018-2019 school year. We have had a wonderful year of faith, family and academics. Our parish children have grown so much this year. We just celebrated our annual field day with all the kids on our campus due to the rainy conditions. Everyone had a great time and even our grandparents came to watch the children compete! Thank you Mr. Hale for providing pizza for everyone and Mrs. Spangler for providing popsicles for the children!

York Catholic Graduates, Sarah, Nolan, and Grace came back to help us out.

We say goodbye to our sixth graders who will be moving on to York Catholic next year. We are so proud of all they have accomplished and will miss them. We wish them luck in their future education!

Please let us know if you are looking for a school for the fall for your child. We have openings in all grades, preschool to sixth grade in our new school, Holy Trinity Catholic School in York. You can email me at psnyder@sjdrc.org or call at 717-244-9386.
