## Thoughts for the Week of October 14

*From September 20 to 30, I was privileged to accompany Fr. Joseph Emmanuel and two of our parishioners on a pilgrimage to Medjugorje, Bosnia, the site of an appearance of the Blessed Virgin Mary. For the next several weeks I will be sharing with you details of that pilgrimage. Today . . .*

### Part One

It is said that “Medjugorje is a place where Heaven touches the earth.” It was here on the evening of June 24, 1981, at approximately 6:00 p.m., that our Blessed Mother, Virgin Mary, appeared to six Croatian children. In this small, unlikely little, peaceful village of Medjugorje, Yugoslavia, it is “that special place that the full meaning of the ‘gift God gave us’ of His Son” Jesus Christ is revealed to us.

Today, this beautiful village is the focal point of millions of people of all faiths that travel yearly visiting this vibrant city of Medjugorje, Bosnia-Herzegovina.

It is here that the children received their first “alleged apparitions” from “Gospa,” which means “Lady” in Croatian — our Blessed Mother. It is here, on Apparition Hill, that the first apparition (apparitions which continue to these children throughout the year—to this day), that “the Mother of Jesus is bringing an urgent plea from her Son to all humanity to turn away from a world terminally ill with the disease of sin and become reconciled with Him.”

It is here, that the Cross becomes a reality to us as “a universal symbol of Jesus Christ, a visible sign ever reminding us of His passion and death suffered that we might have individual peace and life eternal.”

That, in substance, is the basic message coming from the reported apparitions of the Blessed Virgin Mary at Medjugorje. It is an invitation to receive them through reconciliation with Jesus. It begins with total conversion to His Way, the Way of The Cross.

It was at approximately 6:00 p.m. on September 20, 2018 that, through the spiritual planning and guidance of St. Benedict Tours of Warwick, New York, that we, a group of 30 people met at Terminal B at Kennedy International Airport to begin an 11-day Pilgrimage/Retreat to Medjugorje, Bosnia.

I joined Fr. Emmanuel and parishioners Theresa White and my wife Audrey and Father Glenn Sudano, CFR, the Retreat Director, as part of this group. Thus began what millions of people/Pilgrims from the beginning of June 24, 1981 to the present have reported: “physical and spiritual healing, conversions and peace.”

So this little village in a far-off country can truly be called: “*the place where Heaven touches the earth.*”

God bless us all. Deacon Joe Verboys.

Please place donations in the containers at the doors of the churches. The drive runs through the end of October.

**40 Days for Life September 26 – November 4, 2018**

What is the *40 Days for Life* campaign? It is a global effort of prayer, fasting, and peaceful vigil to bring an end to abortion. This fall people from all over the world will be praying for mothers threatened or overwhelmed by their pregnancy, for innocent children at risk of perishing, and for men and women who carry the pain of a past abortion experience. Join us in prayerful witness outside the Goshen Planned Parenthood every Friday during October at 9:00 a.m. Know that it is normal to have a little fear the first time you go out. Everyone who has participated in 40 Days for Life has had it. But that's why it's a prayer vigil, God is with you and your witness can save a life from abortion. In fact, former abortion workers say that the “no show” rate for an abortion appointment goes as high as 75% when there are people praying outside. That's enough for us to overcome our natural hesitation! On September 28<sup>th</sup> a baby was saved while we were there. A car leaving the facility stopped in front of us, put down the window, and the driver with a big smile said, “We’re keeping the baby.” Praise God!

*Thank you for your continued generosity and support.*
