Important Message Regarding Sacrificial Giving

Soon, you will receive a letter from the organization that is conducting our diocese's ***Catholic Strong Capital Campaign*** as part of the process to bring things to a close for us. It will ask for those who may not have yet contributed to please do so. Certainly, 100% participation is a great thing, but I understand that some may not be able to do so at this time. Also, in a few weeks we need to begin the annual House of Charity campaign as all the good they do for people in our community cannot be suspended during the capital campaign. This is why the Bishop never increased

our goal, as he knows we are in that unlikely position of also being in the midst of the capital campaign. If we all give a little to the House of Charity, we can reach our goal. Of this, I am confident. We know best our financial situation. We also know how incredibly generous God is to each of us. So, if at this time, you can assist with both campaigns, please do so, If not, please pray for their success as we are developing a vibrant pastoral plan that mainly focuses on our prayer and sacramental life, as well as how to create hope and peace in our community and world as outlined in our misión statement. There has never been a time when the Lord has not provided since my time here. Ordinarily, God chooses to "provide" through your generous, kind and meaningful time, talent and treasure. We are blessed!

Mensaje Importante Sobre Donaciones Sacrificiales

Pronto recibirán una carta de la Organización que esta llevando a cabo la Campaña de Católicos Fuerte de nuestra diócesis como parte del proceso para que todo se cierre. Se solicitara a aquellos que aun no han contribuido, que por favor lo hagan. Ciertamente, una participación del 100% es una gran cosa, pero entiendo que es posible que algunos no pueden hacerlo en este momento. Además, en unas cuantas semanas debemos de comenzar con la Campaña Anual de la Casa de Caridad, ya que a pesar de todo el bien que hace esta campaña, no se pueden suspender la de La Casa de Caridad. Esta es la razón por la cual el Obispo no aumento nuestra meta y el entiende que estamos en esa posición improbable de estar en medio de las dos campañas. Si todo damos un poco podemos alcanzar nuestra meta. De esto tengo confianza. Nosotros sabemos mejor que nadie nuestra situación financiera. También sabemos cuan increíblemente generoso es Dios para cada uno de nosotros. Así que, si en estos momentos puede ayudar con ambas campañas, por favor hágalo. Si no, por favor ore por su éxito, ya que estamos desarrollando un plan pastoral vibrante que se centra principalmente en nuestra oración y vida sacramental y como podemos crear esperanza y paz en nuestra comunidad y en el mundo como se describe en nuestra misión. Nunca habido un tiempo en que el Señor no me ayudado en mi tiempo aquí. Normalmente, Dios elige "proporcionar" a través de su tiempo generoso, amable y significativo, el talento y el tesoro. ¡Somos bendecidos!

Parish Pastoral Plan to Begin

It is time to form a pastoral plan for the next five years. We must start with our parish mission statement as the driving force (front cover of bulletin) that gives life to all we do. Such a plan looks to “flesh out” that mission, addressing the different areas and needs of parish life. The plan would be the “vision” for the “mission.” We already have a starting point with recommendations made from our two-year V Encuentro process that can be incorporated. The Pastoral Council began some preliminary work on this. We looked at a proposed template of the different areas of parish life with a brief statement for each area. We will spend the next month determining if these areas are sufficient, all inclusive or need editing. Then, we will present what we have accomplished and bring this to all of you for comments, edits or deletions. It is necessary to have full ownership, so that this may be the plan of all the parishioners.

Plan Parroquial Pastoral a Comenzar

Es hora de formar un plan pastoral para los próximos cinco años . Debemos comenzar con nuestra declaración de misión parroquial como la fuerza motriz (en la Portada del boletín) que da vida a todo lo que hacemos. Tal plan busca “concretar” esa misión, abordando las diferentes áreas y necesidades de la vida parroquial. El plan sería la “visión” de la “misión”. Ya tenemos un punto de partida con recomendaciones hechas de nuestro proceso del V Encuentro de dos años que se puede incorporar. El Consejo Pastoral comenzó algunos trabajos preliminares sobre esto. Analizamos una plantilla propuesta de las diferentes áreas de la vida parroquial con una breve declaración de cada área. Pasaremos el próximo mes determinando si estas áreas son suficientes, todo incluido o necesitan edición. Luego, presentaremos lo que hemos logrado y lo llevaremos a todos ustedes para comentarios, ediciones o eliminaciones. Es necesario tener dominio sobre los que hacemos , para que sea un plan de todos los parroquianos.

Next week: Last week for diaper collection

If you have not already done so, please consider donating a package of diapers (preferably size 4,5,6) as our parish’s positive effort for Respect Life as we commemorate the Roe v. Wade decision. All diapers go to Sr. Helen Cole & Guadalupe Family Services in North Camden. La próxima semana es la última semana para donar un paquete de pañales como nuestra participación en el Mes de Respeto como nuestra nación ora de la decisión Roe v. Wade. Las madres de los niños que los necesitan, los obtienen de los servicios ofrecidos a los Servicios Familiares de Guadalupe en Camden. La hermana Helen Cole les da muchas gracias.
