We, the Church of Our Lady of the Lake, are a Roman Catholic Community, called as disciples and companions of the Risen Jesus Christ, made present through our celebration of the sacraments, our proclamation of the Gospel, our ministries of service and leadership.

We are a community who depend completely on God's grace. We are made equal through Baptism in Christ, and so we commit ourselves to the spirit of collaboration and inclusion.

We, as a community of believers, seek to respond to God's call.

Our community is a place,

where those who are searching are welcomed,  
where injustice, in all its expressions, is challenged,  
where the alienated find a home, and  
where people are refreshed, reconciled, and transformed as  
they journey in faith to God!

Through the intercession of Mary, the Virgin Mother of Guadalupe, the Patroness of our parish, it is God's reign that joins us as one in our mission.

*"The seed sown among thorns is the one who hears the word but then the cares of the world and the lure of riches choke the word and it bears no fruit." -Matthew 13:22*

Does the lure of riches and material goods choke God out your life? Are you so caught up in worldly activities you have no time for God? Stewardship is a lifestyle to be lived every day. It effects all the decisions we make. What we receive at Mass every Sunday should be shared with others.

**Archdiocese to Institute New Testing Vehicle for COOP High School Entrance Exam**

This fall, eighth grade students in Catholic elementary schools and public schools seeking admission to an Archdiocese Catholic high school will take a new testing vehicle under the Cooperative Admissions Examination Program (COOP) to assist school staff in evaluating freshman candidates.

The new version of the COOP exam measures scholastic aptitude in verbal and non-verbal abilities and achievement in reading, language arts and math. However, it is only one criterion for admission to participating Catholic high schools in the Archdiocese of Newark. When used in conjunction with effort and performance ratings from the sixth, seventh and eighth grades, as well as previous standardized test results, secondary schools are able to gauge the readiness of applicants seeking admission to college preparatory educational programs. Most high schools also consider other factors such as attendance and disciplinary records when making admissions decisions, and some may choose to consider essays and interviews as part of their admissions process. Specific information about the dates and procedures for registering for the 2017 COOP exam is available on the COOP website: [njcoopexam.org](http://njcoopexam.org).

## Youth Ministry Corner

**Mission Trip Donations Still Rolling In** – We want to thank all of you that have generously supported our mission trip to West Virginia. The donations made by you help supplement our week-long trip to serve with the Christian organization, Next Step Ministries, in the area of Kanawha County, WV. The several payments the missionaries have made cover their food, lodging, worship services and some building supplies provided by Next Step. In addition, we have to rent mini vans and a cargo van to travel, fill them with fuel throughout the week, supply some other donations to the area we will be serving in addition to some other expenses.

If you would like to make a donation, please take an envelope from the pew and place your donation in one of the collection baskets or in the mail slot of the Pastoral Center. We will continue to collect for a few more weeks. Thank you so very much for your monetary and spiritual donations.

**Blessing** – There will be a blessing of the missionaries at the 5:30 pm mass on Sat, July 29. Please join us to bless the missionaries prior to our departure early Sunday morning.

**Youth Group Registration** – Registration forms for all 9-12 grade students interested in our Youth Group program are available at the doors of the church and under the Youth Group tab on the parish website (above). This can be emailed back or dropped in the mail slot of the Pastoral Center. We begin meetings mid-October. Training for the leaders begins in August.
