Of all the wonderful gifts that God has given to us, the gift of His own Son is truly the greatest. How can we ever thank God for a gift like that? God does not ask us to sacrifice our own precious firstborn, but He does ask us to live Stewardship being grateful and generous with our God-given gifts, and in gratitude, generously give back with increasing our time in prayer, our talent in charitable works and our treasure to support the mission and ministry of our parish and greater Church.

Liturgy and Life

Today's Gospel states a disturbing truth; "People preferred darkness to light." Jesus Christ, the light of the world, came to bring eternal life to all, yet some people continue to do wicked things. For instance, gunmen continue to open fire in schools at alarming rates. Children today grow up with active shooter training, and many will experience a real threat at some point in their education. The unwillingness of many government officials and voters to protect our children casts a dark shadow on our country. Call your local legislators and demand stricter gun laws so that our children's lights can continue to shine.
