A Prayer to the Holy Spirit

O God the Holy Ghost
Who art light unto thine elect
Evermore enlighten us.
Thou who art fire of love
Evermore enkindle us.
Thou who art Lord and Giver of Life,
Evermore live in us.
Thou who bestowest sevenfold grace,
Evermore replenish us.
As the wind is thy symbol,
So forward our goings.
As the dove, so launch us heavenwards.
As water, so purify our spirits.
As a cloud, so abate our temptations.
As dew, so revive our languor.
As fire, so purge our dross

School News 2018

Peeking into Grade 3...

I am so thankful for your children each and every day. The hard work and dedication they show toward their schoolwork is remarkable. Their Science Fair projects were so impressive as well as the planets they created, their flip book, and constellations. I received so many compliments that night!! It is the class that thinks outside the box and does things no one else has done before.

Now that the Science Fair is over, we will be studying ecosystems. In Math, we forge onward with double-digit multiplication and division. Before the end of the year, we will dabble in fractions, area, and perimeter. I encourage everyone to continue to study basic facts with the goal of mastery. In Social Studies, we are continuing to learn about the immigrants and will be focusing on the different cultures and customs. In a couple of weeks, we will be celebrating our annual Cultural Snack Party. This is a wonderful opportunity for students to share foods from their culture and for us to enjoy these foods as a group.

Because this is my last Peeking Into Grade 3 for the year, I want to tell all of my parents: THANK YOU! Thank you for making this an amazing year and being such wonderful support for your children and myself. I have truly been blessed each and every day. Your children are amazing and wonderful.
