WEDNESDAYS ON PENNACOOK STREET

A city policeman and two Planned Parenthood volunteer escorts were not alert enough to prevent two women in an SUV from crashing into a parked car in PP's parking lot. In the meantime, a local heckler was on the sidewalk yelling at the sidewalk counselors. Despite all the commotion, they were still able to offer information to all who entered PP, including the two women and the couple involved in the fender-bender. Shortly after noontime, a woman red-faced from crying told the counselors she had changed her mind and "couldn't do it." She was with her mother, and they had driven 50 miles to get to PP. Praise God! Please pray for her and her baby. For more information about how you can help save women and babies from abortion via the Pennacook Pregnancy Center, or to make a donation, call (603) 206-5306 or email staff@pennacookpregnancy.org – and visit www.pennacookpregnancy.org and facebook.com/nhpregnancyhelp

To all who participated in the giving tree, THANK YOU! Birthright is overwhelmed with the generosity from St. Anthony's Giving Tree. Due to your kindness, many warm items and clothing will be awaiting our clients. Birthright and the children's parents/guardians are most appreciative of your goodwill. Birthright couldn't do it without your support. Many thanks and may God Bless you!. Birthright of Manchester. We also received over 1100 items for the St. Vincent de Paul food pantry. Toys and more!
Once again your generosity is greatly appreciated

School News 2018

PEEKING INTO FIRST GRADE

Fun and learning never end in First Grade! Free time reading has become time that is cherished. The children read with laser beams, finger lights, highlighter guides and reading fingers. They read under tables, on pillows and in a teepee. They even read with stuffed furry friends. I'm very pleased with my students' progress and the skills that they are so eager to use!

The children have been using various strategies in order to add and subtract including listening for word clues, counting on and using the number line. Fact mastery is the goal! Many have even decided to join our Crazy 8s after school math club!

The children have been learning about what makes a good environment for living things and the adaptations that many plants and animals have made in order to thrive. They understand how plants and animals are linked in a food chain and how that affects us.

We prepared for Christmas by learning about Advent. We talked about how special the Holy Family is and how Mary should be our model in always saying yes to God.

I hope that you and your families all had a very blessed Christmas. Happy 2018!!!

Mrs. Lesclinier

Advent Food Drive

On Monday, January 8th, after our Feast of the Epiphany prayer service, the children brought over our food donations to Tetu Hall. It's wonderful knowing that we are able to help those in need.

WHY SHOULD I REGISTER

Why is it so important that we register in a parish? Isn't it good enough that we go to Mass? Why should we bother to use the envelopes or give online?

Registration is the official way we join a parish community. Many people think that, because they attend a particular parish, they are members automatically. Young adults who have moved away for years believe that they are still signed up under their parent's registration. Parish registration requires signing up formally as a family. ***It is a commitment to a community, a way to be included in the religious, social and ministerial activities of the parish.*** Your registration affects you and the parish in several ways. Registration shows you belong. It is necessary for certain benefits, such as the sacramental programs of Baptism, First Communion and Confirmation. It helps to know the person whose weddings and funerals are being planned. Active and registered parishioners are verification for Catholic elementary and high school support. Certification for godparents and sponsor letters for the sacrament of Confirmation are processed more easily. Registering in your parish is a statement of commitment and confidence in the life and work of your parish. You can request a registration form for St. Anthony Parish by filling the form below.

We at St. Anthony Parish extend our hearts in a warm welcome to you, whether a long term resident or newly arrived in the Parish. We thank God that you are with us. If you have not registered, or would like to update registration information, please fill out this form. Kindly place in the collection basket
