GRECCIO "THANK YOU" from the Secular Franciscans

Over 100 guests enjoyed our Greccio celebration this year. Although the weather did not permit an outdoor celebration with animals, it was still a wonderful event thanks to the children and teens who participated, the moms who helped with costumes, the Casey Club who provided refreshments, the choir who led us in Christmas carols, and John Hebert who built our stage set. A big "thank you" to all who helped with this event and donated to First Way of Burlington County!

TREASURES FROM OUR TRADITION

Where on earth would you go to honor the magi? Iran or Saudi

Arabia, Tarshish or the Isles come to mind, but Cologne, Germany would be a good choice. There the Shrine of the Three Kings has been the centerpiece of the city's cathedral since the fourth century. Today it is the largest reliquary in the world: a gilded and ornamented triple casket gleaming high above the altar. In the fourth century, the supposed relics of the wise men were taken from Constantinople to Milan, where they remained until the German Emperor with the unlikely name Frederick Barbarossa (Red Beard) gave them to the Archbishop of Cologne. Ever since, pilgrims have streamed into the city to honor the magi, the first of all pilgrims, and thus the heavenly patrons of all who have some holy wanderlust.

This largest Gothic cathedral in Europe today was begun in the mid-1200s to house the relics. In medieval times, the relics in a city's possession were often the key to a sound international economy. The reliquary was last opened in 1864, and the remains of three men were indeed discovered. The cathedral is well worth a visit, with enormous twin spires forming the largest façade of any church in the world (it is the model for St. Patrick's in New York). Construction began in 1248 and ended in 1880, a six-hundred-year project. Today, it is a World Heritage Site, described by the U.N. as "an exceptional work of human creative genius." This great treasure of our tradition suffered fourteen direct bomb hits in World War II but did not collapse. It survived while the city burned around it, preserved, the townspeople say, by three heavenly patrons.

Food Collection at the St. Casimir Site

Each month Resurrection Parish collects non-perishable food items for the Fishes and Loaves Food Pantry in Riverside. The Food Pantry is coordinated by our sisters and brothers of the Moravian Church. Our next weekend for gathering food is this weekend, January 3 & 4. The Food Pantry is very low on supplies at this time and really needs your help. "As often as you did it for others, you did it for Me."

GOD'S PROMISE TO ALL PEOPLE

Today Isaiah reminds the people of God that the land shall be restored to their possession, they shall rejoice to see their people return from the bondage of exile, and that they shall be a light to the nations. In other words, through the people of Israel, the Savior shall come to all people who seek God with a sincere heart. This brings joy and the radiance of God's glory to all the world and to all people everywhere. Through the fidelity of the people of God, and through God's fidelity to them, all people shall become God's children and rejoice in the fulfillment of God's promise to Israel.
