Bishop's Appeal In Action

Breaking News! Resurrection Parish is the **first parish** in the deanery to achieve its goal!

I would like to thank the 352 families who have pledged \$67,858 to this Appeal. It is important that those who have pledged fulfill their pledges so that we will be able to receive a substantial rebate.

While this news is very good, only 19% of our registered families carried this burden. It is my hope that next year more families will do their fair share in helping us reach the goal.

Again, many thanks to those who helped us achieve this monumental achievement!

Fr. David

Helping Hands

Besides the new section of landscaping, we are almost finished weeding, cleaning out dead bushes and plants, and mulching. This was a rather massive project. It would really help if individuals or families would adopt a small section of the gardens around St. Casimir's to help keep the weeds under control. It would only take a little bit of time every few weeks to come by and pull out unwanted guests. A chart and sign up sheet will be hung in the main lobby. Let's keep our facilities looking fabulous!

Resume Writing Class

The AFF is offering a Resume' Writing Class. Steve Miller, who is a Human Resources Director for a large Non-profit Human Services Provider in PA and a member of the AFF Core Team, will provide this training. If interested in attending please contact Pat Brooks, pbrooks110@verizon.net so we can prepare space and handouts. Walk ins are welcome, but please let us know ahead of time if possible. Thank you.

We will be working on the calendar and building usage in August, so the deadline for your calendar of events will be August 1, 2009. The calendar and building usage is always a work in progress and is subject to change, but this way we can get a glimpse of the year ahead. So please submit your calendar of events to the Parish Office by August 1. Thank you in advance for your help and cooperation.

Many Thanks!

You will have noticed that we have additional handicapped spots at the Holy Name site. Many thanks to the Holy Name Society for purchasing the posts and signs that will mark the additional spaces. The Riverside Township has passed a resolution to increase the number of handicapped spots at the St. Casimir site. They should be in place by the end of July.

The Riversharks Rap Up!

Last Friday evening 120 Resurrection Parishioners went to the Riversharks game with the Casey Club. And the Riversharks won! The bulk of the storm passed us by but we did manage to get a little wet. It didn't deter us, we stayed for the fireworks after the game and they were fantastic. The Casey Club wishes to thank everyone that came with us; we hope you had a great time. We also wish to thank Christina Fessler for once again starting the evening with the National Anthem for all the Riversharks Fans! She has sung at the stadium so many times that the staff thinks she's Riversharks family.

One Year Anniversary

It has already been one year since Resurrection Parish was established. There were numerous challenges and changes that had to take place to make the merger a reality. I would like to thank you for your steadfast commitment to the parish. I realize that some of the adjustments may have been difficult to understand or accept. I sense that things are beginning to settle down and we are adjusting well.

I especially want to thank the parishioners who continue to greet Fr. Hilary and I with a smile. It makes all the difference in the world. I also want to thank all who are rolling up their sleeves and working in any aspect of parish life. Without you and your commitment, the parish would not be what it is today.

The merger has gone as well as it has due to the strong assistance of the members of the Transition Team, Pastoral Council, and Finance Council. Their insights have been most helpful to me and the transition process.

I mentioned last Sunday in my homily that I was most appreciative of the parishioners who helped us surpass our Bishop's Annual Appeal goal. I noted that we were the first parish in the deanery to reach goal. I believe that this says something profoundly positive about our parish.

As we approach September when things traditionally pick up after vacation, I would like to encourage everyone to take an even greater role in the life of the parish. Is there a ministry that you could join? Is there a parish organization that could use your time and talent? If we want to continue on a positive growth, your good will and help is necessary.

Happy Anniversary!
Fr. David
