FROM THE
Pastor's Desk

You undoubtedly noticed many changes in our liturgical practices this weekend. We are no longer taking reservations or temperatures as you enter the church. All the doors of the church are now open. The Holy Water fonts are filled again, hymnals are in the racks and we are able to sing again, albeit with our masks in place.

MASS SCHEDULE CHANGE

During the pandemic the number of Sunday Masses was reduced from three to two. The 9:30 Mass was eliminated and the 8:00 A.M. Mass was changed to 8:30 as an accommodation for those who preferred the 9:30 A.M. Mass. The 11:00 A.M. remained the same as did the 4:00 P.M. Mass on Saturday.

Clearly two Masses on Sunday morning is sufficient. As time has gone by many have asked to have the earlier Mass return to 8:00 A.M., providing for an earlier start to the day which many appreciate.

Although we maintained the 11:00 A.M. Mass, attendance has dwindled consistently. Meanwhile during the two and a half hour gap between Masses we are lighting and either heating or air-conditioning our buildings unnecessarily.

In order to provide for an earlier Mass and still offer a later Mass for those who prefer it, the early Mass will return to 8:00 A.M. and the later Mass changed to 10:00 A.M. This will coincide with a change in our Faith Formation Class schedule when classes resume on premise this fall and a more efficient use of the Parish Center.

Starting Memorial Day Weekend, May 29th and 30th, the new Sunday Mass schedule will be:

Saturday	4:00 P.M.
Sunday	8:00 A.M.
	10:00 A.M.

Returning to Normal Liturgical Practices Effective May 7, 2021

We have received a notice from the Diocese about changes to be made in light of the updated health guidelines by the Governor and the Rhode Island Department of Health.

The Following Should Be Reintroduced At This Time:

Indoor seating capacity has been increased and physical (social) distancing is reduced from 6 feet to 3 feet.

The practice of making reservations should cease.

Markings, tape, Plexiglas and other signage related to COVID restrictions are to be removed.

Hymnals can be placed in the pew.

Congregational singing may resume, keeping in mind the recommended physical distancing set forth by the RI Department of Health.

Holy Water fonts may be filled.

The sanitization of the church after every Mass is not necessary.

The Following Should Continue To Be Observed:

Hand sanitizing upon entering the church.

The use of a face mask is still required while indoors for large gatherings.

Proper hand hygiene is encouraged, especially at the time of Holy Communion.

The distribution of the Precious Blood at Holy Communion remains suspended.

Allow for proper ventilation for increased airflow and HVAC filtration.

Avoid unnecessary crowding at the entrances of the church and in the aisles.

Parishioners should maintain the recommended physical distance between each other with the exception for members of the same household while seated in the pews.

REGISTRATION

For First Grade Students, New Parishioners and Current Students who did not get a chance to sign-up last weekend at our Faith Formation "Wrap Up and Registration" you may do so by the following ways:

Print a Faith Formation Registration Form from the Parish website www.saintjudei.com, then return the completed form with the registration fee to the Parish via mail, dropping it off at the Parish Office or putting it in with your weekly donation.

You can also call the Parish Officer at 725-8120 to set up a time to come in and fill out the Registration form.

On the Parish website you will also find information regarding the days and times of the Faith Formation Classes.

For parents of children entering First Grade in September or new students, we would appreciate if you would include a copy of sacramental records with your registration (**if you do not have the records readily available please register anyway and provide them at a later date**). If your child was baptized at St Jude's we will have their Baptismal Record.

Catholic School children are still required to fill out registration forms, but only the Confirmation students are required to attend and pay for Religious Education classes in both Grades 9 & 10.

Pope urges Catholics to pray in May for an end to the Covid-19 pandemic

Pope Francis opened the Marian month of prayer on May 1 with a Rosary broadcast across Vatican Media's platforms

"Prayer by the Church was fervently being made to God" - Acts 12:5

Pope Francis has asked for "rosary marathon" in May to pray for an end to COVID-19. He started in St Peter's on May 1, then a different shrine will lead the prayer each day until the Pope closes the month of prayer in the Vatican gardens on May 31 with another specially-broadcast Rosary. Below is the list of shrines and prayer intentions for the month. Each day Vatican News Live will broadcast the recitation of the Rosary at 6PM Rome time from the various Shrines taking part in the initiative.

IS YOUR MARRIAGE STUCK IN MISERY?

Without attention and care, marriages wither. Couples slowly drift apart or are torn apart by terrible words or actions. For many it has been years since they knew the joy of a loving relationship. When infidelity, alcohol abuse or drug dependency is involved, the situation may seem even more hopeless.

WE CAN HELP....

Let us help you rediscover each other!

Retrouvaille (pronounced Retro-vi) means rediscovery in French. The program helps couples put their broken pieces back together and rediscover their love for each other!.

Over 76% of those who attend a weekend are still married five years later.

Over 95% would recommend a weekend to a struggling couple.

WHO IS RETROUVAILLE FOR?

The program is for couples with marital problems, including those who are considering marriage separation and those who are already separated or divorced. Couples who need and want help in getting their marriages on track often find the program very useful.

The program is also for couples who may be cold and distant, and believe that there is no hope for their marriage. It is for couples of ALL ages, regardless of how long they have been married, or have been in trouble.

The two characteristics identified in an Associated Press poll of divorce lawyers as being the primary cause of divorce were communicating difficulties and drifting apart. As a result of these problems couples sometimes end up in situations of infidelity, or sexual, physical or substance abuse. These situations are often the symptoms of the problem and not the problem itself.

The Hyde Amendment has protected Americans from funding abortion for 45 years. It's credited with saving the lives of over **2.4 million children** to-date.

Now, powerful members of Congress want to take away this law that both Democrats and Republicans have supported for nearly half a century. Without it, *billions* of taxpayer dollars could go to abortion.

That means abortions would be *cheaper, easier, and funded* with our taxpayer dollars.

It is **critically important** for Catholics to send a *strong* message before Congress moves forward to impose taxpayer-funded abortion. Because of the *incredibly high stakes* Congress needs to hear from a *massive* number of people.

I invite you and the people of your parish to join our diocesan response to this nationwide effort by the US Conference of Catholic Bishops, set for the **first week of June**.

The primary goal is for *millions of Catholics* to sign the *petition* on NoTaxpayerAbortion.com. The USCCB has created **easy, ready-to-use tools** that can be found at respectlife.org/no-taxpayer-abortion.

Thank you so much for your consideration and support.

Your voice could help save millions of lives!

Ascension *Reflection by Rev. Leonard N. Peterson*

Mankind's first space flight lasted minutes on April 12, 1961. The first man in outer space who took that history-making trip 60 years ago was Russia's Yuri Gagarin. He believed firmly in the Almighty and was a devout Christian, even though he kept silent about that to his country's government. What that atheistic government did was promulgate the lie that Yuri had said, "I looked around the cosmos and did not see God." This lie was matched by a number of others regarding certain aspects of the flight, one of which was that Gagarin landed more than 200 miles away from where they were expecting.

Because the gospels of Mark that we read today, and that of Luke, tell us that Jesus was "taken up into heaven," we obviously tend to take their description as that of a literal location, a geographical one that heaven is "up" somewhere, as opposed to "down." Emeric Lawrence, OSB writes that "the very language of this feast obscures its deep and true meaning for us." That allowed the God-hating Soviet government at the time to make its silly observation, a "cheap shot" if you will, at Christian belief in general.

Yes, we do hear the gospel language and think: He ascended, He went up into a cloud—the biblical symbol of God's dwelling place—so He is gone from us. But can this be true? Yes it is, if we consider only His original bodily presence. But we believe that already in His resurrection He entered upon a new, completely unprecedented manner of existence. Time and space no longer placed any restrictions upon Him. He simply appeared to His disciples through locked doors; He ate, drank, and conversed with them.

His ascension may well have been an advancement or a perfection of that new existence of His. Now He no longer appears in bodily form. But He has by no means departed from them in His real being as God the Father's Son. Otherwise how do we explain His words when He said: "And know that I am with you always, until the end of the world"? He is with us, with the Church. It is a real presence, and not just figurative language. It is truth. The ascension is not an end, but a beginning, the beginning of a new manner of Christ's activity among the apostles and the Church.

Jesus has laid the groundwork by His preaching, His death, and His resurrection. Now the work goes on, and we are a part of it. In spreading the Gospel we are not all called to be missionaries, but each of us can carry on that work by our prayers, by our sufferings offered for the missions and missionaries, and by whatever contributions we can make. Missionaries depend on their fellow Christians to help them carry on their and Christ's work.

Returning to all the talk about heaven being "up" applied to the Ascension of the Lord, and our real work for Christ here on earth brings up this story. Before leaving for the Holy Land, a church member told his pastor Phillips Brooks, the noted 19th century Episcopal bishop, that he was going to climb to the top of Mount Sinai and read aloud the Ten Commandments.

Thinking this would please Dr. Brooks, the church member was surprised to hear his pastor say, "You know, I can think of something even better than that." "You can?" the man responded. "And what might that be?" Brooks replied, "Just this. Instead of traveling thousands of miles to read the Ten Commandments on Mount Sinai, why not stay right here at home and obey them?"

God love you and give you His peace!
