The Burrillville Village: For the past year, a group of Burrillville residents have been working to develop a local "Village" within The Village Common of RI. Our aim is to help older adults age gracefully in place by providing services such as rides to appointments, help with small chores around the home, and technology assistance. As the organization grows, we hope to add in-person social opportunities in our community, but even now, there are events in other Villages that are open to all members. We offer affordable membership fees. If you're interested in becoming a member, please call 401-441-5240. And we will always need more volunteers, and so if you think you'd like to help in some capacity, please email burrillville@villagecommonri.org. Thanks for your attention!
